Mission Statement

U.S. ARoomy/Marine Corps Counterinsurgency Center

Director – Colonel, USA
Deputy Director – Colonel, USMC

Improves counterinsurgency capabilities through research of best practices, improvement of doctrine, advice to leaders and organizations, education, integration of training curricula, and by conducting outreach to other military and civilian entities with a shared interest in counterinsurgency operations in order to improve counterinsurgency capabilities and adjust the mindset of the force.

Purpose

Provide participants with a workshop designed to focus leaders and advisors to embrace a warfighting philosophy of effectively working with Host Nation officials and conduct full-spectrum COIN operations. The workshop inculcate participants to fight and think unconventionally by providing theme oriented and integrated topics with an emphasis on practical exercises and discussion.
